Dear Nidhi Ji ,

On behalf of Disha Foundation, an NGO and chair person Ms Neena Singh, we would like to thank you for your donation ! It really makes a difference to the livelihood of our women.

We are delighted to continue receiving jute, canvas and similar fabrics from Pankaj International and additionally, some other raw materials and other accessories for more than 10 years now. These materials are upcycled to make lovely shopping bags , pencil boxes etc. . The money earned by selling these bags goes to the marginalized women (working at Disha) . I am proud to report that at least 20% of their income comes from these bags .

Pankaj International has always extended unstinted support for our organization. Without asking, every year the material is sent to us. Bags are appreciated and sold in the market.

We can proudly say if more companies like them come forward and help, no one will be deprived of the basic necessities.

We look forward to strengthening our relationship further. Few photographs of the bags are attached.

Thanking You,

Yours sincerely,

Arti Bhartia

(Disha Women Co ordinator)
